# Why patients choose MiPlan

Paying for treatment upfront can be costly and inconvenient. Often, patients are left with a large out of pocket expense even after private health insurance.

Whether you're paying 100% or just the gap, MiPlan is here for you.

MiPlan is a simple payment plan that never charges any interest at all.

Repayments are easy and the application is quick!

To apply for MiFund simply ask at reception today or call 1300 700 118.
